Protection regulations:

1. With the registration the associations and starting communities ensure the match ability of their athletes.
2. All participants must be in the possession of a valid sport health and starting passport
3. The sport health certificates must be shown to the competition office before the official beginning. The last medical examination in the sport health certificate may not be older than 6 months (counted from the last day of the competition).

Participants which do not fulfill these conditions are losing their starting rights. Foreign participants must be in the possession of an appropriate medical permission of an disabled athletes federation or the international starting passport

Doping:

Doping is not permitted according to the anti-doping regulations of the IBSA. With registration the participants declare the acknowledgement of the anti-doping regulations of the IBSA.

For this reason all participants have to carry a listing of the taken medicines with medical indication, in order to be able to submit this list if necessary. If this indication proof is missing, the athlete can be punished in the case of a positive result.

Athletes who need substances for medical indication which are listed of the WADA – Prohibited list have to exhibit a Therapeutic use Exemption (TUE)

Controls are accomplished in a random sampling way.

Liability:

The DBS and its organs are responsible for accidents only within the borders of the existing liability insurance protection. The liability for accidents going beyond it is expressly excluded. The insurance contract can be seen at any time in the DBS office.

Requirements from the sport accident insurances of the national sport federations or of the DBS are not affected by this limitation of liability.
