CLASSIFICATION

Procedure for the classification of an athlete at a competition:

- A fully filled MDF, dated and signed by a certified ophthalmologist, must be uploaded in ISAS --until 6 February 2022 - 6 weeks before the first classification day of the event. Only the current MDF (available for downloading from the IBSA website is accepted).

<https://ibsa.org/fair-sport/classification/rules-forms-and-manuals/>

'184-1-IBSA-Medical-Diagnostics-Form-2019'

- The MDF's will be thoroughly checked after they have been uploaded.
- Athletes without the correct MDF uploaded in due time will not be scheduled for classification and cannot enter the competition. There will be no exceptions.
- For athletes with a Review status - tests and complementary medical exams requested in previous competitions should be uploaded at the same time of MDF - 6 weeks - BY 6 February 2022. If not, the athlete will be excluded from the competition. Every athlete should state in the MDF if they wear optical correction (glasses, contact lenses, filters) when they compete. If so and it was not STATED in the MDF form the athlete will be excluded from the competition.
- All athletes to be classified at an event need to be ready for classification at the first hour on the first day and rested especially if the travel has been long distance. Sleepy/tired people cannot cooperate well and they risk not to be classified. Late arrivals will not be considered for the Classification schedules.
- Only athletes competing in this event can be classified.

- Athletes may be subject to controls during any competition. In the case of an athlete found during the competition, to be wearing contact lenses which were not declared during classification, he or she will be subject to disqualification.
