

Dear Showdown friends

As you may already know the Swiss Showdown Association will host their first international showdown tournament from November 23 (arrival day) till November 27 (departure day), 2022.

The tournament will take place in the hotel Ibis Style Zurich City Center, in 5 minutes walking distance to the main station and to the city center.

We will offer a transfer service from both the airport and the main station.

The participation fee will be between 420 and 450 Euro per person in a double room. This fee includes your stay from Wednesday till Sunday as well as meals from dinner on Wednesday to breakfast on Sunday,

With this first call we would like to get to know an approximate number of players and accompanying persons.

Could you please send us this information by May 5th by e-mail to [zurich-open@swiss-showdown.ch](mailto:zurich-open@swiss-showdown.ch)

If ever possible we would prefer to receive this information once per country.

We are looking forward to welcoming you in Zurich.

Best regards
