INVITATION

3rd INTERNATIONAL GOALBALL TOURNAMENT "CIUTAT DE BARCELONA" 2022

Dear Goalball friends,

Based on our previous successful editions since 2018, it is a pleasure to invite you to the third International Goalball Tournament "Ciutat de Barcelona" for international teams. The event will take place from 2nd, 3rd and 4th of December 2022 in Barcelona, Spain. This invitation is open to female and male teams and international referees. We organize a competition composed of 4 male teams, 4 female teams and 6 international referees.

It is an honour for us to organize, for the third consecutive year, this tournament, since the Barcelona City Council only allows a small group of international tournaments per year. To include the Goalball, a sport so minority and important for our group, within the offer of international tournaments allows us to continue offering the opportunity to participate in a unique tournament in the city of Barcelona.

Place and accommodation

Teams will compete for the championship in the sports facilities of the Spanish National Organisation of the blind (ONCE Catalunya) located close to Plaza de España (1 Sepulveda Street; 08015 Barcelona).

Male teams will be staying at the 3-star hotel ONIX Fira Barcelona Hotel which is located within walking distance (roughly two minutes) from the ONCE Catalunya where the competition will take place, and female teams will be staying at ONCE residence, located inside the same building of the tournament. If the women's teams wish to stay at the hotel, they must pay the same fee of registration as the male teams.

Registration and subscription

Registration will take place in two stages:

- 1. First entry form:** Teams can express their interest in taking part in our tournament not later than 30th of September 2022 by paying a first fee of 300€ and by sending the completed «first entry form» to: gerencia@fcecs.cat.
- 2. Second entry form:** After that deadline, we will get back to those teams that registered asking for the payment of the remaining registration fee which is calculated as follows:
