The international tournaments which can be counted in this ranking list, must be officially announced by our committee and open for all interested countries.

Considering that it was not possible for all the Organiser to hold National and International Tournaments because of Covid-19, the Showdown Sport Committee has decided that all the ranking points awarded in 2019 for tournaments that were not held in 2020 due to the pandemic, will be confirmed also in 2020.

Read more about the tournaments counted in this ranking list at the end of this document.
